

June 2025

Volume 1, Issue 1

WMS HILLCREST NEWSLETTER

Important Dates:

- Doughnuts with Dad— June 13th
- Juneteenth— June 19th
- Independence Day— July 3rd & 4th—CLOSED

Doughnuts with Dad

Dads please join us on Friday, June 13th, for Doughnuts, Coffee and/or Juice with your little ones at drop off. This event will be in Building D. We will have a room designated for dads to enjoy breakfast treats with your child before you take them to class. We hope that all dads are able to join us.

Juneteenth

Juneteenth is a holiday commemorating the freedom of the slaves in the United States. The name Juneteenth is a combination of the words June and nineteenth. The day is also called Emancipation Day and Freedom Day. The students will celebrate this holiday with crafts.

Messy Play Days

Be on the look out for Messy Play Days. Please send your child to school in clothes you won't mind them getting wet, slimy, or sticky. We will let you know what to expect on those days and if you would please send them an extra change of clothing to change into once their activity is complete. June calendars will be attached to this newsletter. If you have any questions or concerns, please speak with your child's teacher or with me.

Infants

This month we will be learning about colors and shapes of the underwater world, having fun with fish and experimenting with sink and float objects.

Throughout the summer we will have Water Play Days for our mobile infants, so please check notes from the teacher so that you will be prepared. We will be splashing early, 8:45, so parents are asked to bring their child to school dressed in messy play wear with plenty of sunscreen pre-applied. Be sure to send a towel labeled with your child's name. Please remember to send something for them to change into after or we will just get something from their cubby. Please make sure you are keeping the cubby's stocked with weather appropriate clothing.

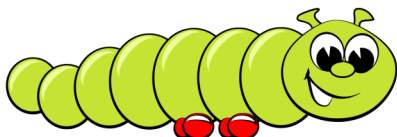

Toddlers

This month in the toddler class, we will have loads of fun learning about fish and other ocean life. We will have a few messy crafting activities and sensory play, so please check the calendar for more information with about those days. If you are concerned about the messy play, nothing should stain or be permanent. Also, please apply sunscreen to your child before arriving at school.

Preschool

This month in Preschool we will be learning about insects, what an insect is, their parts, and about their homes. We will have two show and tells this month. One is themed "Insects" and the other "Spiders". Please see the attached calendar for those days, We also will be learning about Antarctica and its animals, and the food chain. Along with creating our Father's Day crafts.

We will have some messy play days. Look for more information to come home about those days.

Important Reminders:

Sunscreens and Insect Repellants:

All children should come to school with sunscreen and insect repellants already on.

Water Bottles:

To reduce our plastic waste, we are asking that all children bring to school a drinking thermos or water bottle with his/her name on it. Please bring this daily and we will refill it throughout the day as needed.

Tardy Policy:

We have a school wide Tardy Policy that is in effect even during the summer months. Please plan to have your child at WMS by 8:30 every morning. If you will be late, please use our 11am drop-off. Children arriving after 8:30 must call or message no later than 8:30 am. Those who arrive without calling or messaging ahead may not be admitted, as our staffing is maintained according to student numbers.
